Poster sessions

THURSDAY
July 13th, 2017

Note:
All posters may be left up for the entire day. Presenters are only required to stand by their poster during the official presentation time for their assigned session.
### Session 4(b): Contemporary sea level change

**Presentation time:** Thursday, 11am-12.30pm

*Note: All posters may be left up for the entire day. Presenters are only required to stand by their poster during the official presentation time for their assigned session.*
